

[Free Clip Art, Backgrounds, Bullets and Text!!!](#)

The following sites are available on the Internet for you to use for FREE when creating web pages. Many of them are searchable and feature school-related images. Remember, when using the PC computers, that to save these images to your computer you will need to follow the steps listed below:

- ☞ Do a right-click on the image
- ☞ Select Save Image As... from the menu that appears
- ☞ Tell the computer where to save the image to (A drive, hard drive of the machine, or other)
- ☞ Then upload these images to the FEN Site so that you can add them to your webpage
